Viking Power—Viking Pride Shines On

The Activities “Year in Review” is an attempt to capture the essence of Viking Pride as displayed throughout the 2006-07 school year. It is a celebration of the tremendous successes and accomplishments by all those associated with Coeur d’Alene High School activities. With all the highlights documented in the following pages, this year was certainly an awesome continuation of our “2nd Century of Excellence!”

Larry Schwenke, Activities Director, will retire June 2007, after 35 years of teaching, coaching and administration.

Special thanks to Judy Mayotte, Activities Secretary, for her dedication and expertise in producing this publication.

What a privilege and honor it has been over the years to witness and applaud the efforts of the kids, parents, coaches, staff and boosters of the greatest school in the Northwest! I have truly been blessed.

Thanks for the memories!

Once a Viking.....always a Viking!
